# ECLIPSE & IHC ONLINE CLAIMING

ONLINE CLAIMING FOR HEALTH FUND, MEDICARE AND DVA

Lodge claims online instantly and rapidly receive payments directly into your bank account

- Private, Medicare, DVA and participating Healthfund claims

## Online patient verification (OPV)

- Verify patient details with Medicare and patient's health fund membership in real time prior to booking operations

## In-patient medical claiming (IMC)

- Submit an in-patient medical claim to both Medicare and the health fund with one single step
- Cut down processing times from weeks to days
- Receive payment for your claims faster
- Covers all claims made under schemes and agreements, and those not made under a scheme or agreement (No Gap, Known Gap, Full Fee etc.)

## Online eligibility checking (OEC)

- Check the eligibility of a patient for both Medicare and health fund benefits

## In-Hospital Claiming (IHC)

- Hospital accommodation and theatre claims to Health Funds

The screenshots show the Eclipse software interface. The top left shows the OPV (Online Patient Verification) screen with a 'Fund accept OPV' section and a 'Verify Now' button. The top right shows the OEC (Online Eligibility Checking) screen with a 'Check Eligibility' button. The bottom left shows the 'Results' section with a 'Successful' status. The bottom right shows the 'ECLIPSE Transaction Dashboard' with a table of transactions.

Invoice	Claim ID	Inv. Date	IHC Trans.	Claim	Charged To	Payment Rec.

## ECLIPSE remittance advice (ERA)

- Easily match your ECLIPSE claims to the deposits made to your bank account allowing for reconciliation and automated receipting

## Claim status

- Quick and easy monitoring of in-patient medical claims means you can see the status of your claims processing with the funds at any time

## Security

- All claims data is securely transmitted with public key infrastructure (PKI) encryption

## Savings

- No transaction costs for Eclipse medical claiming services
- Save hours of staff time and reduced errors through online eligibility checking and verifications, claim lodgement and receipting
